**OF COUNSEL, LAW OFFICES OF ARNOLD M. WEINER P.A.**  
**MANAGING PARTNER, FISHER & WINNER LLP**

**UP-AND-COMER**

Jeffrey Nusinov became managing partner of Fisher & Winner LLP in 2006 following a clerkship with the Honorable Allen L. Schwait. He practices in the areas of commercial and intellectual property litigation, estates and trust litigation, and white-collar defense.

Nusinov's double duty started in 2007 when he joined The Law Offices of Arnold M. Weiner to assist in complex litigation matters. In addition to serving as a fiduciary, he oversees the firm's guardianships of more than 200 disabled veterans. He also serves as a member of the Baltimore City Bar Association's ethics and fee arbitration committees, and the Maryland State Bar Association's Military Law Committee, among other affiliations. Most notably, Nusinov serves on Baltimore Mayor Sheila Dixon's litigation defense team.

Recent honors also include his selection as a 2009 Rising Star by Super Lawyers magazine. As for his plans, Nusinov is "enthusiastic" about deepening his immersion in "fiduciary litigation, intellectual property litigation and white-collar defense."
